NOTES AND EXPLANATIONS
OF
REGULAR ARMY ACTIVE LIST

An asterisk preceding a name indicates that information available for publication in this edition was incomplete.

The letter "B" is followed by the place and date of birth.

The letter "A" is followed by place from which appointed. When the letters "MA" appear after the letter "A," it indicates the officer received his appointment at the United States Military Academy. In such instances, the State or the service from which he went to the United States Military Academy follows.

Service medals are not shown. The notation (Navy) following an award indicates that a similar award was made by the Navy.

Service School entries include the highest constructive credit equivalency identified by an "E" followed by the military school or course. The highest constructive credit equivalency will not be shown if the officer actually attended and successfully completed the same course or service school.

Graduation from all courses pursued at General Service Schools regardless of length is shown. Graduation from basic and advanced courses at Branch Service Schools is shown regardless of duration. Associate courses, of five or more months duration are shown. Junior and senior courses pursued at Marine Corps Schools are also shown. Courses are shown with year in which the course was completed.

Officers who successfully complete foreign army service schools will be given equivalent credits as having completed levels of U.S. service schooling as indicated:

a. AWC, ICAF, NWC level.
   - British Imperial Defense College
   - Canadian National Defense College
   - French Ecole Superieure de Guerre

b. AFSC level.

Degrees conferred by colleges and universities as listed in the Education Directory of Higher Education, Part 3, of the United States Office of Education; foreign institutions of university level; and schools of theology and seminaries are shown. Honorary degrees are not shown. Completion of any program of postgraduate study in accredited civilian universities or graduate institutions, covering one full year or more, including internship, is shown when such study is completed on active duty under programs authorized by the Department of the Army. This entry is removed when information is received that a degree has been acquired as a result of the postgraduate study. If no subsequent degree is acquired, the notation will continue to be shown. Documentary evidence concerning degrees should be forwarded TAG, DA, as soon as practicable for notation.

Enlisted and other service creditable for basic pay is shown by inclusive dates. However, periods of enlisted service concurrent with attendance at Service Academies and subsequent to 25 June 1956 are not creditable for basic pay purposes.

When the initial appointment is other than Regular Army, the date of acceptance of a tendered appointment as well as the highest grade attained with the date of rank is shown. The date of acceptance and the date of rank (D/R) of the original appointment in the Regular Army, and the highest grade attained in the Regular Army with the date of rank are shown. When initial appointment in a temporary grade (promotion in AUS) is subsequent to the initial appointment in the Regular Army, the initial and highest AUS grades and dates or rank are shown.

Resignations and/or discharges from commissioned service and transfers which occur while serving as a Regular Army Officer are shown by effective date.

Information concerning Regular Army warrant officers who are on extended active duty in a commissioned status (identified by the letters EADCS) is limited to name, Regular Army service number, State and date of birth, State from which appointed, initial warrant officer rank, date of acceptance, rank redistribution (W.O. Act of 1954) identified by "adj" if applicable, highest grade attained in Regular Army and Promotion (PL) number.

A PL number is shown at the end of the biographical sketch of each officer on the active list. These numbers are taken from the 12 promotion lists compiled by Headquarters, Department of the Army according to seniority in permanent grade.
